

Marseille, June 4th 2025

Dear participants,

We are delighted to welcome you to the 2025 European Physical Society Conference on High Energy Physics (EPS-HEP 2025) which will take place in Marseille, France, from July 7th to 11th, 2025.

You will find all needed information in the conference website (<https://www.eps-hep2025.eu>). The agenda is now complete and the timetable available in the Indico page (<https://indico.in2p3.fr/e/EPS-HEP2025>). Additionally, all relevant information will be accessible via the **HEPCon app** (available both for [IOS](#) and [Android](#)). The app will be synced with the Indico webpage, providing the full scientific programme and presentation files in a mobile-friendly format.

You will find some practical information in this bulletin.

We are very much looking forward to welcoming you in Marseille!

With our best regards,

The International Organizing Committee chair, Fabio Maltoni

The Local Organizing Committee chairs, Thomas Strebler and Cristinel Diaconu

Programme

Scientific programme

The scientific sessions feature plenary, parallel and poster sessions. The complete timetable is now available in the Indico page (<https://indico.in2p3.fr/event/33627/timetable/#20250706>). The ceremony for the EPS-HEPP Prize winners will be held on Monday afternoon at 17:00, while a plenary meeting of the European Committee for Future Accelerators is scheduled for Thursday afternoon at 16:00. The European Research Council Executive Agency will give a talk on the ERC programme on Tuesday during lunch break.

Social programme

Reception

- **Date and time:** Monday, July 7th, 2025 at 18:30 (local time, UTC+2)
- **Place:** Palais du Pharo, Espace 1000

Poster Session – Wine and Cheese

- **Date and time:** Wednesday, July 9th, 2025 at 18:00 (local time, UTC+2)
- **Place:** Palais du Pharo, Espace 1000

Conference Dinner

- **Date and time:** Thursday, July 10th, 2025 at 20:00 (local time, UTC+2)
- **Place:** Palais de la Bourse

Outreach

The **Infinity Festival, physics & outreach** will take place during the conference, open to participants and the general public:

- Art&Science Performance: “95%, the Dance of the infinities” (in French)
- Educational and collaborative card game “Physics on the Infinity Canvas” (in English and French)
- Photo exhibition “The Intensity Frontier: Probing the unknown”
- Scientific Speed-dating. We are looking for French-speaking volunteers—researchers, engineers, technicians, or students—willing to informally share their work and career path with the public in short, friendly conversations. Interested participants can sign up in [this link](#).
- Videogame inspired by particle physics “Exographer” (in English and several languages)
- Conference for the general public and round table discussion “Meeting the infinite” (in French)
- Theatre Play “The Life and Dreams of Mr. Pauli” (in French)

Practical information

The conference will start on Monday morning but attendees are encouraged to arrive on Sunday, as the registration desk will be open from 16:00.

Fees

We would like to stress that **on-site registration or payment will not be available**, so please make sure to pay the registration fees **before the registration deadline on June 15th**. If you have not already done so, you can complete the payment of the registration fees on <https://dr12.azur-colloque.fr/inscription/en/253/>.

Several options are available :

- *Conference Dinner*: €70 (The capacity is limited. Tickets are sold on a first-come, first-served basis.)
- *Lunch Box*: €20 per day. We recommend to consider this option in case you plan to follow both the late morning and early afternoon sessions. Please note that you can still add this option until June 15th, even if you had paid the fees already. To do so, please connect to <https://dr12.azur-colloque.fr/inscription/en/253/> using the email address you used previously. But it **will not be possible to book them on-site**. Alternatively, nearby lunch options are accessible within 20 minutes on foot or 10 minutes by bus.

In case of questions do not hesitate to contact the Local Organising Committee (eps-hep2025-info-l@in2p3.fr).

Information for speakers and presenters

Parallel talks

In general, the speakers should plan for at least 3 minutes of discussion time after the talk; e.g., if the contribution is scheduled with a length of 20 minutes, a 17-minute talk should be planned. The length of the contributions is available in the [timetable](#). Speakers are asked to upload their slides in pdf (16:9 format) directly to the Indico timetable of the conference, no later than the evening before the relevant session.

Plenary talks

Plenary talks are expected to be 30 minutes each including questions. Slides in pdf (16:9 format) should be provided to the organisers or uploaded directly to the Indico timetable of the conference, no later than the evening before the relevant session.

Remote presentations for speakers will not be possible.

Poster presentations

Poster contributions should be of size A0 and portrait orientation. Presenters are expected to print in advance and bring their poster at the conference. We kindly ask the presenters to also upload their poster in pdf format directly to the Indico timetable of the conference, no later than the evening before the poster session.

Remote connection

For people who subscribed to the “Online registration” all information and links will be sent per email. Plenary sessions will be web-casted with slides and video. Parallel sessions will be available through zoom sessions.

Conference venue and accommodation

- By Train: Marseille is well-connected by the [French TGV](#) (high-speed train) network, with frequent service from major European cities to Marseille Saint-Charles train station.
- By Plane: [Marseille Provence airport](#) offers a wide range of flights, providing direct connections to numerous major cities worldwide.

The conference will take place in the [Palais du Pharo](#) in the city centre and can easily be reached by public transport. From the “Vieux-Port” (subway station) bus 83 (toward “Métro Rond-Point du Prado”) or bus 82 – 82S (toward “Pharo/Catalans”) stops at “Le Pharo”. The journey takes approximately 7 minutes. By foot it is possible to walk along the left (southern) side of the Vieux-Port, following the waterfront, and continue to the Palais du Pharo. The walk takes approximately 18 minutes.

For accommodation, a variety of options are available, as highlighted on the [tourism office webpage](#). You can choose from hotels ranging from 2-star to 5-star ratings or opt for apartment rentals to suit your preferences and budget. Early booking is strongly advised to secure the best options.

Warning: It has come to our attention that some participants have received emails from external travel agencies offering to arrange accommodation for the EPS-HEP 2025 conference. Please be aware that the EPS-HEP 2025 organizers are not affiliated with any travel or accommodation agencies. We have not authorized any third parties to book hotels on behalf of the conference. We strongly advise participants to make their own travel and accommodation arrangements using reputable sources. If you receive unsolicited emails offering accommodation bookings, please exercise caution and verify their legitimacy before sharing any personal or payment information.

Wifi

A local Wi-Fi network will be available for a limited number of participants. For those with phone contracts that include EU roaming, we recommend using a personal mobile hotspot for seamless connectivity. The conference center offers excellent mobile phone coverage, including in the underground auditoriums.

Inclusiveness and support service

The EPS-HEP 2025 conference is committed to fostering an inclusive and welcoming environment for all participants. To support this goal, we are pleased to offer, for instance, live captioning for all plenary sessions, childcare services (closed for registration) and a breastfeeding room. If you have specific needs or suggestions, please do not hesitate to reach out to the Local Organising Committee at eps-hep2025-info-l@in2p3.fr.

All participants will be asked to follow the [code of conduct](#).
